

South-South and Triangular Skills Forum: Partnerships for Knowledge, Skills and Technology Transfer – A webinar series and skills fair

Agenda for the webinar on 02 Mar 2021

0900-1100h Central European Time (120 minutes)

Quality Apprenticeship

Time	Item	Who does what
0900 – 0905h (5min)	Welcome and introduction of the Webinar’s objectives	Snehal ITCILO Turin making the bridge between the webinar held on 03 Dec and the upcoming Virtual Skills Fair to be held on 21-22 Apr
0905 – 0915h (10min)	Recap of the gaps and solutions identified in the 03 Dec webinar leading upto the 5 questions	Ashwani ILO to talk through how the 5 questions were framed as a basis to identify good practice going forward
0915 – 0925h (10min)	Presentation of an example of a good practice	Snehal to carry out Zoom poll giving 5 examples in the form of phrases (e.g. involvement of tripartite constituents in the design of a quality apprenticeship system) of what constitutes a good practice and what doesn’t where participants vote yes / no. This is followed by a brief presentation by Anita specifying elements of a good practice
0925 – 0945h (20min)	Participants write down examples of 1 or more good practices they are aware of in light of 5 questions on a collaborative white board (time includes instructions to be provided to participants by ITCILO)	Snehal opens a collaborative white board (https://padlet.com/) inviting participants to post examples of in country good practices and also inter country ones in English and French
0945 – 1015h (30min)	Facilitated discussion by inviting participants to point out good practices that they are interested in / find interesting	Snehal facilitates a discussion by asking participants to comment specifically under the good practice that they see on the collaborative white board (https://padlet.com/) and this already provides the basis for connections between participants that could mature into partnerships.
1015-1030h (15 min)	Towards SSTC partnerships	Participants will be asked to “like” and comment others’ practices to signify their interest in knowing more about it (contacts to be shared after the meeting) and to potentially partner to mutually add value.
1030 – 1100h (25min)	Summary and description of next steps including a demonstration of the virtual booths to be set up by ITCILO	Snehal demonstrates the https://www.vfairs.com/ platform and shows the booths that participants will be invited to set up here for the Virtual Skills Fair.

P.S. French – English interpretation provided
